

Wave 9 INDIVIDUALITY

105. INDIVIDUALITY

Be yourself. Otherwise you can not really support others. Only from an overflowing cup you can give.

106. TO BE OPEN

Be open to all opportunities.

107. COMMITMENT

Be courageous and have only committed relationships. That's the way to strengthen the grid of love.

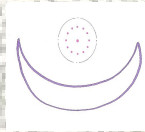

108. NOTHING

Nothing is more than it seems to be.

109. TALENT

Let your talents be your gift to life. That's what the world is waiting for.

110. INTUITION

Intuition is the fine feeling in your heart which shows your way like a compass.

111. EXCHANGE

Everything in life is giving and receiving. Mutual exchange lets us perceive life in all its abundance.

112. SURRENDER

Surrender to life. The light is everywhere. Only your perception is sometimes not sensitive enough to perceive it.

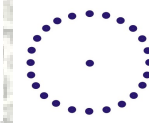

113. GOALS

Only goals of your heart are real goals because they give you a sense of Oneness with yourself and the universe.

114. HEALING TAKES PLACE

Learn again to sing and dance like a child. SIARENI SIA SINI. Find the king and queen inside of you.

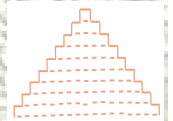

115. DIGNITY

If we were able to perceive the dignity in everyone we would be much more in contact with our own truth.

116. PRAISE

You evolve into being lighter and more loving until all your Being is just God's praise.

117. EVOLUTION

We are at the last step of our evolution. Help our brothers and sisters to reach the next level of consciousness.
