

RAINBOW SYMBOLS FOR THE NEW WORLD

13 new symbols want to accompany us through the times after 28th Oct.2011 which marked the end of the Mayan and the Universal Peace Calendar. Here is my understanding of the new symbols:

It all starts with SYNCHRONISATION and Father Sky and listen what is to stop e.g. reacting in OLD manners.

which means to tune into Mother Earth appropriate to do or even more important

Then realize how much knowledge comes together, a real happens right now.

CONVERGENCE

One of most powerful ways to learn and grow is a relationship based on mutual respect and love which should have moments of DEEP CONTENTMENT.

See the MESSAGES in a circle from our

which we get through crop circles as this one with a DNA GALACTIC FRIENDS.

They try to communicate that We Are Luminescent Love.

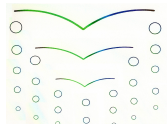

There is no separation. I AM YOU and YOU ARE ME. In La'lakesh is the old mayan greeting which has the same meaning.

So let's take the next step, GREAT EMBRACE, of life as well as the tears and the challenges.

and embrace the positive sides

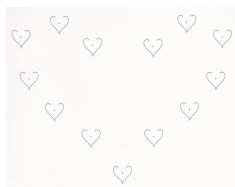

Then NEW ADVENTURES perspective and realize that is just part of the UNIVERSAL FIELD.

begin. We experience life with a different our personal WHEEL OF LIFE

This leads to the AWAKENING AS ONE. Realizing we are all one. Pure light. Pure love.

That creates a feeling of ECSTASY.
